## Experience

### Department of Employment and Workplace Relations

Product Designer | 2022 – Current

Designed user-centered web and mobile interfaces. Collaborating with stakeholders, I ensured designs meet user needs and project goals. I also worked on the departmental design system, promoting efficiency and consistency.

### Even Dots Creative

Internship | July 2021 – July 2021

Worked as a graphic designer in a small studio, creating screensavers, stickers, branding, business cards, reports, and a website redesign while also attending client meetings.

### National Gallery of Australia

Client project | May 2021 – June 2021

Designed a data visualization dashboard using D3 to showcase the entire gallery. Additionally, I actively participated in a workshop with industry professionals, academics, and students, presenting my work and engaging in group brainstorming and design activities.

### Ginninderry

Student project | Feb 2021 – May 2021

In a collaborative effort, I designed and planned an intervention for the community. Through community engagement, we identified needs and developed a plan, including instructional guides, organizing activities, and securing partnerships.
